Farmingville, NY - On January 4, Supervisor Ed Romaine was on hand to honor Girl Scout Cassandra Rose Asselta from Service Unit 18 who received the Gold Award at a ceremony held at the Brookhaven Firefighters Museum Memorial Park in Ridge. Cassandra's project was the restoration of a 1964 Ford Custom Utility Pumper Truck that the Gordon Heights Fire Department donated to the Brookhaven Firefighters Museum.

The Gold Award is the highest in Girl Scouting. The program challenges Senior Girl Scouts, 14 years and older to excel in leadership, service and self-development.
